

**Department of Chemical & Biomedical Engineering**

**2012 Ph.D. Recruiting Event**

**Date: *January 26<sup>th</sup> – 27<sup>th</sup>, 2012***

**Application Due Date: *January 9<sup>th</sup>, 2012***

Candidates will be selected on a competitive basis for a visit to USF from the pool of applicants to the Chemical or Biomedical Engineering Ph.D. programs. For full consideration applicants should have submitted the complete application package, including transcripts, letters, test scores, statement, and resume.

*Current graduate students and faculty will be available to answer your questions regarding graduate studies in the Department of Chemical & Biomedical Engineering at the University of South Florida.*

**Visit will include activities such as:**

- Tours of the USF campus, including New Marshall Student Center, Patel School of Global Sustainability, College of Engineering, Research Laboratories, and the Department of Chemical & Biomedical Engineering
- Meetings with faculty and current graduate students
- Social events with faculty and current graduate students
- Attendance at a graduate course lecture
- USF Eminent Scholars Seminar

**APPLY NOW (<http://www.grad.usf.edu/graduate-admissions.asp>) to be considered!**

**The application checklist on the Graduate School website will provide all items that are required by the Graduate School.**
