

**College of Engineering at  
University of South Florida  
4202 East Fowler Avenue  
Tampa, Florida 33620  
813-974-3864**

### ***Driving Directions***

#### ***From the north:***

*Take I-275 south to the Fowler Avenue exit (#51) and head east or take I-75 south to the Fowler Avenue exit (#265) and head west. The main entrance to the university is at 4202 East Fowler Avenue.*

#### ***From the east:***

*Take I-4 to I-75 and head north. Exit at Fowler Avenue and head west to the university's main entrance.*

#### ***From the south:***

*Take I-275 north to the Fowler Avenue exit (#51) and head east or take I-75 north to the Fowler Avenue exit (#265) and head west.*

#### ***From the west:***

*Take either the Courtney Campbell Causeway or the Howard Franklin Bridge east to I-275, and follow the above directions to the university.*

#### ***From Tampa International Airport:***

*Take I-275 north to Fowler Avenue and head east at exit #51 (total trip is approximately 17 miles).*

*Enter campus through the main entrance on Fowler Avenue turn north on Leroy Collins Blvd. At the next traffic light, turn left (west) onto USF Alumni Drive. Immediately to your right is a parking lot (8-C). Please park there. Enter the main entrance to Engineering II Building (Glenn A. Burdick Hall).*
